

Annual Report 2016

Dogs cannot speak for themselves, so we have to be their voice

VOORWOORD

We look back at 2016 with joy and pride.

191 dogs came to our country.

There were 8 puppyflights and 4 regular transports.

The amount of dogs that is fostered with an option at adoption, is growing.

We hope this will continue in 2017.

More and more people know how to find ALAS. And they are content with the way we work.

Ofcourse we also had to cope with sad and difficult situations.

But: in general we are gratefull and happy with 2016.

SPONSORING TRANSPORTEN

SPONSORING TRANSPORTS

This year we also did a sponsor action for each transport. We received 4.500 euro (for the 4 transports). This means that 25% of the transport cost (totally 17.000 euro) was covered by donations.

PROMOTION / PUBLICITY

'OPEN DAY CVAB'

Like every year we were with a stand at the open day of the CVAB in Tholen.

FACEBOOK

This year we passed the 16.000 'likes' at Facebook. Facebook is found to be a wonderful medium for finding adoptants and successful sponsor actions.

CBF KEURMERK

We received approval of the 'CBF' and are very glad with this. We hope this approval, together with the ANBI approval, will convince possible adoptants and sponsors that we are a decent organization.
