

# Annual Report 2017

*Dogs cannot speak for themselves, so we have to be their voice*

## VOORWOORD

2017 was a good year.

The amount of dogs that is fostered with an option at adoption, is growing.

We hope this will continue in 2018.

More and more people know how to find ALAS.

And they are content with the way we work.

Ofcourse we also had to cope with sad and difficult situations.

But: in general we are gratefull and happy with 2016.

A highlight was that we finally could buy a compagny car, thanks to many people that donated for it.

*Marian Buurman, president ALAS Rescue Team*

In 2017, 187 dogs came to our country. At the end of this year 169 were adopted.

Also 13 dogs were adopted that came to us in 2016.

We had to rehome 16 dogs that could not stay with their owner. 12 of them found already a new home.

6 dogs that came back to us in 2016 found also a new home.

The total amount of adopted dogs in 2017 is 206.
